ORDERS IN COUNCIL.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, 7th February, 1917.

PRESENT:

THE HONOURABLE THE ADMINISTRATOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that

such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subject, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, Turkish, or Bulgarian subjects resident in Canada at the commencement of the war and during the war.

And that the Orders in Council herein, Nos. 741 and 1201, be rescinded.

HENRY ESSON YOUNG,
Provincial Secretary.

DOWNING STREET,
24th June, 1915.

CANADA.

No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,

A. BONAR LAW.

The Governor-General,

His Royal Highness

The Duke of Connaught and of Strathearn, K.G.,
etc., etc.

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correct-

ness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public *securities* of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

REGULATIONS RE LOGGING OPERATIONS WITHIN THE HEALTH DISTRICT ESTABLISHED ON LYNN CREEK.

AN Inspector shall be provided by the Provincial Board of Health, who will also act as special Provincial police constable.

It shall be the duty of the Inspector to enforce the regulations hereafter set forth. He will reside on the works and consult with the manager of the company in regard to all recommendations he may make in the way of other regulations which may be deemed necessary to enact, owing to changing conditions incidental to the progress of the company's work.

The Inspector shall make a weekly report to the Provincial Board of Health.

No person shall be allowed on the watershed except on business connected therewith.

When the railway-track is in close proximity to the river or creeks, the road-bed shall be drained from the cuts in the soil back from the river, allowing the surface wash to be carried back with permeable soil to sink-holes. It should be arranged that such drainage does not flow directly into the river.

The company shall place all buildings or camps of whatever kind or nature at such points as may be designated by the Sanitary Inspector.

At the camps the necessary latrines shall be placed over reasonably deep pits for the reception of discharges. An average of 8 feet in depth is recommended, and the pit shall be filled in before the refuse reaches a point within 2 feet of the surface.

During use the pits are to be disinfected by the application of lime daily. All privies adjacent to the camp must be rendered fly-proof.

All men operating in the bush are to carry portable privies of galvanized iron, with covers. These privies to be returned and emptied into pits. All portable privies or pails to be supplied with 8 oz of unslaked lime daily.

Rules relating to the use of these conveniences, and absolutely prohibiting the discharge of human waste elsewhere within the watershed, will be enforced with great strictness, and under penalty of dismissal.

An incinerator must be provided adjacent to the camp where all garbage and refuse must be burned each day.

Proper receptacles must be kept on hand into which all refuse, whether liquid or solid, must be placed, and such refuse must be regularly destroyed by fire.

Every camp coming under these regulations shall be equipped with a wash-house or laundry containing a stove, tubs, and facilities for drying; also wash-basins, shower-baths, soap, and all proper sanitary facilities to the approval of the Inspector. Cleanliness, of course, is necessary for the health of the men, and it must be insisted upon. Persistently unclean persons will be debarred from the watershed.

Bathing or laundry-work in the creek or stream is absolutely prohibited.

Liquid waste from kitchen, bath, laundry, and wash-sinks must be trapped, and led in a properly vented drain to a covered pit of sufficient area, located at a safely remote point to ensure filtration without endangering the purity of any stream or watercourse.

Plans and specifications of all buildings to be erected to be furnished in duplicate to and approved by the Provincial Board of Health.

Maps of the property (in duplicate) shall be furnished to the Department showing as far as possible the plan of the ground, and showing proposed buildings and roads in their relative positions to any stream or watercourse.

The company shall furnish food and shelter for resident and visiting Sanitary Inspectors whilst on the property.

In reference to the employees of the company, these regulations will provide for the taking of a Widal from every person entering the watershed as an employee in any capacity whatsoever.

Every such person must submit to typhoid inoculation in order to protect them from contracting typhoid when out of the watershed, either on business or pleasure.

[3210]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 15th day of November, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated November 13th, 1917, from the Minister of the Interior, stating that the regulations governing the granting of licences and permits to cut timber on Dominion lands require that timber berths shall be sold at public auction, after the same have been surveyed, cruised by an officer of the Department of the Interior, and advertised for sale for at least sixty days.

The Minister observes that the Keystone Logging and Mercantile Company, Limited, of Vancouver, British Columbia, have made application for authority to cut timber on the West Half of Section 18, Township 18, east of the Coast Meridian, and that the representative of the Shipbuilding Department of the Imperial Munitions Board reports that this timber is urgently required for the purpose of building ships.

The Minister, in order to obviate the considerable delay which would be occasioned in disposing of this timber as required by the regulations, recommends that authority be given to issue a permit in favour of the applicants to cut the timber in question, subject to the payment of such dues as may be fixed by the Department of the Interior after a cruise has been made of the timber by an officer of the Department, with the object of arriving at the value thereof, and on the condition that the timber will not be used for any purpose other than ship building.

The Committee submit the same for approval.

Clerk of the Privy Council.
